Preface

The West County CYC District was created to provide a coordinated sports program for the youth of member organizations. It is important that every Spiritual Director, Organization Representative, Sports Coordinator, Manager and Coach be familiar with the rules and regulations set forth under this cover. It is our hope that all participants will bear in mind that we have embarked on this activity for the sole benefit of God’s children.

West County CYC District Athletic Association Constitution

In compliance with *Article III, Section 1* of the *Catholic Youth Council Athletic Association Constitution* of the St. Louis Archdiocese, the West County CYC District hereby issues its constitution.

Article I – Name

This organization shall be known as the West County CYC (Catholic Youth Council) District, hereinafter referred to as the “District”, and be affiliated with the CYC Sports Department of the Archdiocese of St. Louis.

Article II – Purpose

The general aim of the CYC is to help a boy or girl become an ideal youth, firmly loyal to God, Church, Community, and Country: physically fit, mentally alert and morally sound. Athletics, properly regulated, play a very important role in the development of youth. The Constitution of the District Athletic Association is a sincere effort to promote good sportsmanship, skill development, teamwork, respect for rules and self-discipline amongst the contestants. With the help of God, may it serve as a medium for Catholic/Christian action. We ask the blessing of God upon this organization.

In keeping with the spirit of the program, a pre-game prayer involving both teams together will take place before all youth (Atom through Junior Division) games; the home team will be responsible for leading the prayer.

Article VIII – Eligibility

Section 1 – Eligibility Rules: The rules of eligibility shall be those identified in *Rule III, Section 1 through Section 9 of the CYC Athletic Association, Archdiocese of St. Louis Constitution*, unless altered by the District for regular season District play only.

Section 2 – Team Fees: The number of teams (as defined in section 3) and respective team fees shall be submitted by the respective organizations to the Sport Commissioner by the date specified by the Sport Commissioner for each sport season.

Section 3 – Teams Defined: The minimum number of players to form a sports team will be determined by each Sports Committee. There is no maximum, but playing time is an important factor and teams should be structured to give all players maximum playing time.

No organization may have tryouts for the formation of their teams, with the exception of Visitation Academy and Villa Duchesne/Oak Hill. These two organizations may have evaluations for the placement of players on teams as follows:

- Only applicable to 7th and 8th grade teams
- No player may be cut
- Notification of teams created through evaluations must be given to the applicable Sports Committee.

Section 4 – Rosters: Rosters shall be submitted in triplicate to the Sport Commissioner at the designated schedule handout meeting. One roster, signed by the Sport Commissioner, shall be returned to the respective organization for retention by the team manager, one copy to be submitted to the CYC Office.

Section 5 – Identification Cards: CYC Identification Cards will be required for all Managers and Coaches identified on the official team roster. Players in the Midget Division (5th grade) through Senior Divisions must have a CYC Identification Card to participate. For younger grades, the Executive Committee will make the final decision. All Head Coaches must have completed the CYC Coaches Training Program (This requirement is for all CYC teams Kindergarten thru 8th grade). All coaches need to have attended the Archdiocesan Program titled “Protecting God’s Children” and have on file with their parish and/or the CYC Office a receipted copy of the “Missouri State Child Abuse Form” not more than two years old. (This requirement is for all CYC teams Kindergarten thru 12th grade.)

A. A roster check (with identification cards for 5th grade and older) may be performed prior to the start of a District game/match under the following conditions:

1. By direction of the Sport Commissioner or the Official-in-Chief.
2. By direction of the West County District Executive Committee.
3. Upon request of either team Manager or Coach.

4. If in the opinion of the game official, a check is warranted due to peculiar circumstances. The game official shall designate the reason for the check on the game card.
5. If during the course of a game the official determines conditions exist that warrant a suspicion of player eligibility, a roster and identification check may be performed. The game official shall designate the reason for the check on the game card.

All roster and identification card checks will be performed on both participating teams. *Rule III, Section 1, Paragraphs e and f of the CYC Athletic Association, Archdiocese of St. Louis, Constitution* will remain in effect.

- B. The respective Sport Commissioner, with District Executive Committee approval may grant an identification card waiver, when extenuating circumstances exist. The waiver shall not exceed three (3) weeks in length. All waivers will be void for both West County District playoffs and Archdiocesan CYC Championships. The waiver will consist of a letter, signed by the Sport Commissioner, as proof for game purposes.
- C. Prior to the start of each sports season, each Organization shall be responsible for ensuring that Managers and Coaches have valid rosters and identification cards for each team.
- D. Any manager, coach or player that is ejected from a game, and refuses to surrender their identification card to the District or Game Official, will result in an immediate three (3) game suspension. The incident will be reviewed by the District Hearing Board to determine if further disciplinary action is appropriate.

Section 6 – Player Jurisdiction and Waivers: A player is expected to play with the organization that has player jurisdiction based on:

- A. Player is a student of a school that is a member organization of the District.
- B. Family/player is a member of a church that is a member organization of the District.
- C. Family/player lives within the parish boundaries of a member organization of the District.
- D. If a child lives outside the boundaries of the District, and does not meet the requirements of 1 or 2 a District waiver form needs to be signed by the Church or School where they live, as well as the CYC District where they live. This waiver must then be approved by the Church or School they would like to play for as well as the District.
- E. If a player has jurisdiction to play with more than one organization, the player can choose the organization. For example, if a player attends a private school that is a CYC organization and attends a parish that is a CYC organization, the player may choose to play on a team from either organization.
- F. Player Waivers within the District: A player must have a written waiver to play for an organization other than the organization in which he/she has jurisdiction to play if the organization offers that sport. The requesting Organization Representative must initiate the waiver. The releasing Organization Representative and respective Sport Commissioner have the discretion to deny such a waiver. Player waivers must be renewed each sport season.

Article IX – Playing Rules

Section 1 – Rule Incorporation: All rules and regulations of the respective sports are subject to this Constitution and are incorporated by reference as if fully setout herein.

Section 2 – Forfeits: A fine, which needs to be approved by the Executive Board, may be imposed on a District organization by the Sports Committee for games forfeited repeatedly by an organization's teams. Key considerations for imposing a fine would be the percentage of forfeits by teams within an organization (relative to the number of teams playing the sport for that organization), and the organization's adherence to proper forfeit procedures.

Note: The focus of the league is to play games, and the District understands there will be rare occasions when a team cannot be fielded for a game. The intent of this rule is not to penalize

organizations who have an occasional forfeit, but rather to give the Sports Committee an avenue to address organizations whose teams cause excessive disruption to league play because of forfeits.

Section 3 – Pre-Game Prayer: In keeping with the spirit of the program the game official will call for a pre-game prayer, the home team will lead the prayer

Article X – Rules of Conduct

Section 1 – Participant Conduct: All participants (managers, coaches, game officials, players and spectators) shall at all times; before, during and after any sports event, conduct themselves as true Catholic/Christian sportspersons. A sports event is not considered complete until all participants have departed the playing venue and associated facilities. Managers, Coaches, game officials and spectators shall reflect the purpose of the District: to teach the children good sportsmanship in a Catholic/Christian environment.

Section 2 – Principles: All that is dishonorable and unsportsmanlike is particularly and expressly condemned. The player, manager, coach, spectator or team found guilty of violating these principles shall be removed from the game at the discretion of the game official and in turn, be put on report to the respective Sport Commissioner. Additional discipline/penalties may be assessed via the District Hearing Board Guidelines.

- A. Respect for Authority: The game official is a CYC representative, and as such, has full authority on the field, court or gym of the sport venue until they depart the facility and associated grounds. Managers, coaches and team captains are the only individuals who may confer with the official, providing it is done in a civil manner and within the rules of the contest. The District considers a display of respect for officials as integral to the training of the children.
- B. Spectator's Conduct: The conduct of all spectators is the responsibility of the Manager/Coach of the respective teams.

Any participant that continues to violate this restriction, after a verbal warning by the official, will be immediately ejected from the game.
- E. Rules of Play: This Constitution and the respective rules of the sport, as ratified by the District Board, shall govern all contests. This pertains to District league play only.
- F. Dangerous Play: Overly aggressive and dangerous play will not be tolerated. An immediate ejection will result, if deemed necessary, by the game official.
- G. Fighting: No fighting or pushing will be tolerated. This includes aggression towards players, game officials or coaches. Any infraction will result in severe disciplinary action, which may include suspension for a season or permanent expulsion from the District.
- H. Suspension: Any person (manager, coach, player or spectator) ejected from a game will surrender their CYC identification card and will be suspended from all sports (games and practices) until such case is reviewed by the Sport Committee of the respective sport.
